

Reynard

Premier Healthcare Wipes

Premier Healthcare Wipes

Reynard's Premier Healthcare Wipes are extremely strong and exhibit excellent low lint qualities to meet the needs of a Central Sterilising Unit and Operating Theatre environment.

The cloth is made from a unique non-woven, low lint material that is extra absorbent and perfect for the above application.

Extra large

Reynard Premier Healthcare Wipes are large in size—25 x 45cm

Convenient

Reynard Premier Healthcare Wipes are conveniently packaged in a flat pack from which 1 cloth at a time can be dispensed.

Suitable for all environments

Premier Healthcare Wipes are suitable for Central Sterilising Units, Operating Theatres, General Hospital environments,

Directions: Use the required number of wipes.
Dispose of used wipes properly; do not flush.

Product specifications and availability may vary according to country.
Always read the label and product information before use.

Supporting documentation: Full technical specifications are available upon request.
Bespoke solutions: Should your market require more or fewer wipes, lightly scented alternatives or even biodegradable wipes, for example. Let us know.
We are more than happy to develop bespoke solutions.

Premier Healthcare Wipes

Reynard Premier Healthcare Wipes are simple to use. Being low linting offers healthcare facilities an alternative to troublesome linting cloths.

Cross infection is minimised and overall cost in use is contained.
