## Soft Patient Wipes

## Soft Baby Wipes/Liners

### Soft Patient Wipes

### Soft Baby Wipes/Liners

Reynard disposable wipes are the ideal replacement for reusable patient wipes and cleaning cloths for the healthcare, hospitality and food industries. They are disposable, practical and absorbent.

**Directions:** Use the required number of wipes.  
Dispose of used wipes properly; do not flush.

### Convenience

Easy to use, conveniently wrapped in packs of 50 or 100 wipes

---

### Fast and effective

Reynard Patient Wipes and Baby Liners are chemical free and suitable for skin and surfaces.

The material is made from a unique non-woven, low lint material this is extra absorbent and strong.

They are strong—wet or dry.

---

### Cost-effective

Reynard Patient and Baby Liners are easily dispensed from the pack, one wipe at a time—no wasted wipes pulled through. They are highly portable, convenient and practical.

They are a cost effective alternative to laundered cloths.

---

### Ideal for use in:

- Hospitals—Wards
- Beauticians
- Maternity Units—Baby Care
- Aged Care
- Private Hospitals
- Hospitality
- General Purpose

Product specifications and availability may vary according to country.  
Always read the label and product information before use.

**Supporting documentation:** Full technical specifications are available upon request.  
**Bespoke solutions:** Should your market require more or fewer wipes, lightly scented alternatives or even biodegradable wipes, for example. Let us know. We are more than happy to develop bespoke solutions.
