

SURGIgel™

SURGIgel PLUS™

Lubricating Gels
5mL sterile sachets

Water based lubricating gels for general clinical and lubricating needs

SURGIgel and SURGIgel Plus are:

- sterile
- greaseless
- transparent
- non-staining, non-irritating
- non-toxic and harmless to human tissues

SURGIgel and SURGIgel PLUS are recommended for:

- general gynaecological use
- surgical use
- urological use
- and when additional lubrication is needed.

SURGIgel offers the highest lubricity available in sterile form for catheterisation.

SURGIgel PLUS offers higher viscosity and adherence for surgical instruments.

SURGIgel and SURGIgel PLUS will not injure latex, metal appliances, surgical instruments, natural or synthetic textiles.

SURGIgel and SURGIgel PLUS are not contraceptives.

Do not use the sachet if opened or damaged.
